Subject: Stibnite Mine ASAOC and SOW

Dear Chairman Wheeler,

After consideration of comments on the December 11, drafts, the federal agencies have revised the Administrative Agreement and Order on Consent (ASAOC) and the Statement of Work (SOW) for implementing phased removal actions at the Stibnite Mining District.

We look forward to the call scheduled for January 12 to explain how we responded to comments provided by the Nez Perce Tribe as well as other comments.

Sincerely,

Susan Parker Bodine
